

Firmamız 1978 yılında kurulmuştur. Dar tekstil sektörüne 1997 yılında ayakkabı ve konfeksiyon yan sanayi ürünleri ( şerit, lastik, bağcık ) üretimi ile imalata başlamıştır.

Geçen senelerle birlikte oluşan şartlara uyum sağlamak ve müşterilerimizin isteklerini göz önünde bulundurarak, yatırımlarımızı daha güçlü bir hale getirdik. Gerek makine parkurumuzu gerekse fabrikamızı en son teknolojiyi kullanarak yenileyip revize ederek, perde ve mefruşat sektörüne hizmet vermeye başladık.

Bugün alanımızda gerek yerli gerekse yabancı sektöründe lider birçok firmanın tedarikçiliğini başarı ile gerçekleştirmekteyiz.
